

## EXPONENTIAL & LOGARITHMIC EQUATIONS Maze!

Directions: Begin at the "Start" box. Solve each equation and round your answer to the nearest thousandth, if applicable. Use your solutions to navigate through the maze until you reach the end. **STAPLE ALL WORK TO THIS PAPER!**

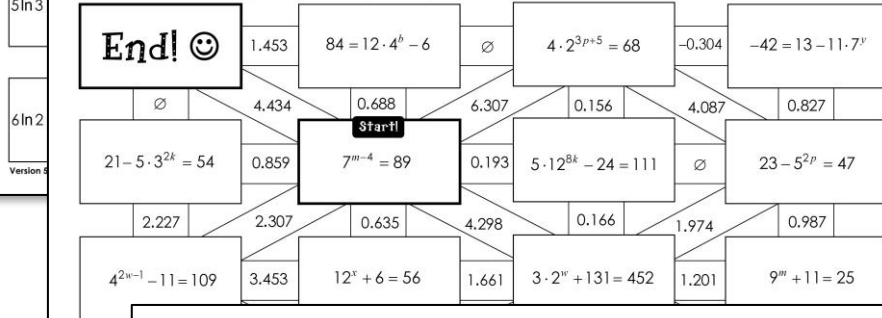

## EXPONENTIAL & LOGARITHMIC EQUATIONS Maze!

Directions: Begin at the "Start" box. Solve each equation and round your answer to the nearest thousandth, if applicable. Use your solutions to navigate through the maze until you reach the end. **STAPLE ALL WORK TO THIS PAPER!**

## SOLVING EXPONENTIAL EQUATIONS Maze!

Directions: Begin at the "Start" box. Solve each equation using logarithms. Round your answer to the nearest thousandth, if applicable. Use your solutions to navigate through the maze until you reach the end. **STAPLE ALL WORK TO THIS PAPER!**

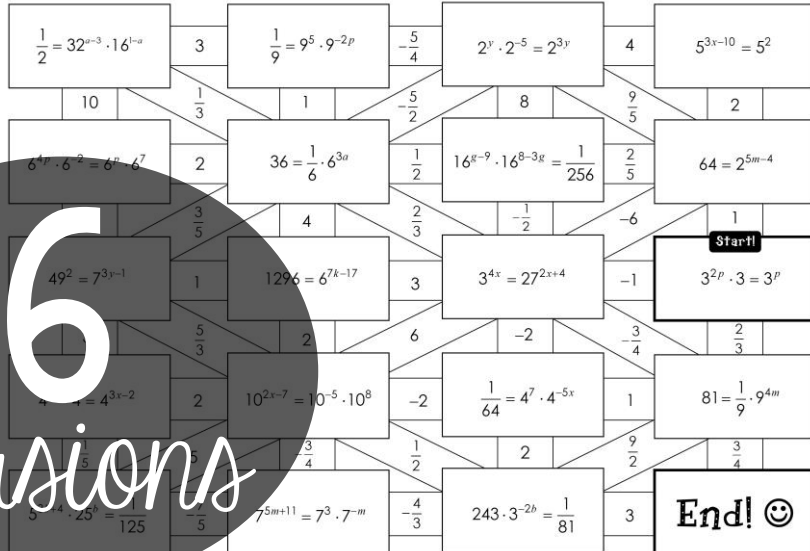

## EXPONENTIAL & LOGARITHMIC EQUATIONS Maze!

Directions: Begin at the "Start" box. Solve each equation and use your solutions to navigate through the maze until you reach the end. **STAPLE ALL WORK TO THIS PAPER!**

## SOLVING EXPONENTIAL EQUATIONS Maze!

Directions: Begin at the "Start" box. Solve each equation using a common base. Use your solutions to navigate through the maze. **STAPLE ALL WORK TO THIS PAPER!**

## SOLVING LOGARITHMIC EQUATIONS Maze!

Directions: Begin at the "Start" box. Solve each equation. Use your solutions to navigate through the maze. **STAPLE ALL WORK TO THIS PAPER!**
