

The Factor Theorem

Directions: Begin at the "Start" box. Using the Factor Theorem, choose the pathway that contains a factor of the given polynomial. Continue navigating through the maze until you reach the end.

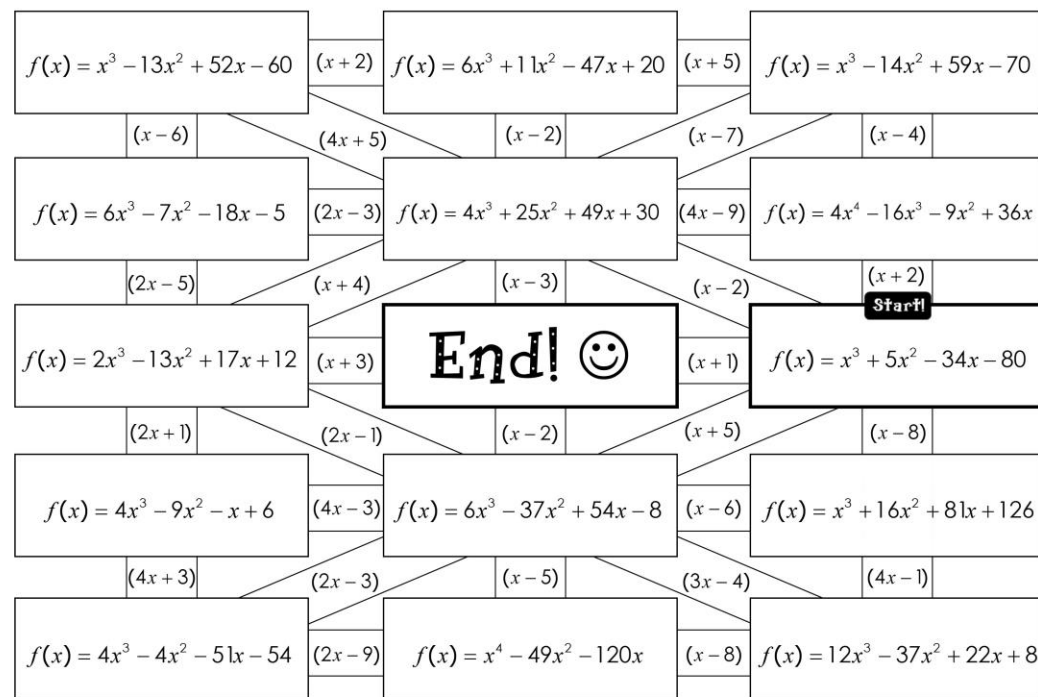

Version 1: Leading coefficient of factor = 1.

The Factor Theorem

Directions: Begin at the "Start" box. Using the Factor Theorem, choose the pathway that contains a factor of the given polynomial. Continue navigating through the maze until you reach the end.

Version 2: Leading coefficient of factor ≥ 1 .
